REQUEST TO RESCIND ABANDONMENT

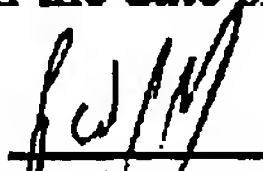

Dear Sir:

Applicant has become aware that the above application has become abandoned via PAIR for failure to respond to the Office Action dated February 15, 2008. Applicant did not receive the Office Action or any correspondence from the USPTO since the application was filed. It appears from the records that the USPTO has been sending all correspondence relative to the above application to Paul K. Mathews of Newark, Ohio. The correspondence address on both the Declaration and the '371 transmittal is Scully, Scott, Murphy & Presser, 400 Garden City Plaza, Suite 300, Garden City, New York 11530. Copies of the foregoing documents are attached.

CERTIFICATION OF FACSIMILE TRANSMISSION

I hereby certify that this paper is being facsimile transmitted to facsimile number 571-273-8300 at the Patent and Trademark Office on the date shown below.

Dated: August 13, 2009

Paul J. Esatto, Jr.

It is the procedure of our docketing department to enter all due dates into our CPI computer database program. Such is the procedure for an Office Action. The file also gets flagged with the due date and the secretary enters the date on a docket sheet and the attorney in charge of the application reports the Office Action to the client. No record in CPI or the file indicates that an Office Action was ever received or entered.

A statement from the practitioner attesting to the above is enclosed. It is respectfully requested that the abandonment of this application be rescinded, and a new Office Action be issued.

Should any fee be required, please charge Deposit Account No. 19-1013/SSMP.

Respectfully submitted,

Paul J. Esatto, Jr.

STATEMENT

I, Paul J. Esatto, Jr., the undersigned, hereby state the following:

- I. I am senior partner at the law firm of Scully, Scott, Murphy, and Presser (hereinafter SSMP) located in Garden City, New York, United States of America.
- II. In my capacity as senior partner it is among one of my many responsibilities to review all communications from the U.S. Patent and Trademark Office addressed to me, including Office Actions, Notice of Allowances, Notice to File Missing Parts, and all other mail having due dates upon their arrival at SSMP. After review, I assign the case to an attorney for further handling, if necessary.
- III. Upon receipt of a letter dated August 6, 2009 from the client in Japan advising us that PAIR was checked and the application was abandoned for failure to respond to an outstanding Office Action, I carefully reviewed the docket and determined that the Office Action dated February 15, 2008 was never received and not in the file. I had the docketing department search our computer database, and it was determined that the Office Action was never received nor entered into the computer database. A copy of the print-out of the computer data sheet for the above application is attached. The print-out shows that no entry was made for the Office Action and any extensions of time. Also, upon checking PAIR, it is noted that all of the correspondence in the application went to Paul K. Mathews of Newark, Ohio, and none of the correspondence was forwarded to our offices. We have no record of the Office Action being forwarded to us from Mr. Mathews.
